PAPATYA

www.papatya.com.tr

Enriched by Life, Designed by Papatya

Hidromekanik Makine Sanayi ve Tic. A.Ş. has been producing high qualified and innovative products since 1945. The company has started to manufacturing indoor and outdoor furniture over 30 years ago under PAPATYA brand. Keeping collections up to date by following customer expectations with its long years of experience and superior quality culture, the brand became a leader in its field.

Design aspect of the company is based on creativity, quality, functionality, resistance, research and development. Unique and rich collections include wide range of chairs, armchairs, bar stools, tables, sofas and sunloungers with suitable accessories. Qualitative raw materials such as glassfiber reinforced polypropylene, polycarbonate, metal, aluminium, stainless steel and wood, offer various combinations of indoor and outdoor furniture with trendy finishes. Color selections are done by experts to create suitable atmosphere

PAPATYA represents today's and tomorrow's furniture vision by responding to taste and requirements of global market with high qualified, aesthetic, ergonomic, affordable and maintenance free products, developed by professional and creative design team. Energy and experience meet with creative input and technological background enable the brand to build worldwide recognizing and promising projects.

Tarabya-K Tarabya-S Gama Table

Balat-K

Elegance, functionality, and durability are the key design elements of Papatya models. Products developed using high-quality raw materials and cutting-edge technology stand out with their unique and characteristic structures. The design process is driven by the goal of offering enjoyable living and working environments in personalized spaces. Models produced with high-quality raw materials and the latest technology combine aesthetics and functionality. By considering industry expectations and needs, each model is made to be visually appealing and highly practical in use.

The wide range of products perfectly adapts to various living and working spaces. These products, resulting from the meticulous work of a creative and professional design team, provide unique experiences in personalized spaces. The Papatya brand aims to always offer the highest quality, aesthetic, and functional solutions to users, making living and working spaces more comfortable and stylish.

The design team develops trend-setting models, which are produced using high quality and technology. Industry professionals and end users in many countries around the world recognize the Papatya brand for its original designs and long-lasting models.

Bomonti-K

Driving sustainability for inspired life

Sustainable Production for future

With a sense of responsibility for the future, we adopt the value of sustainability as the basic philosophy. We consistently offer an environmentally friendly working environment with our business model that reflects our respect for the environment and aims to protect our natural resources, acting in accordance with social values and our high standards for economic sustainability.

We carefully design our products and services to be energy efficient, environmentally friendly and to provide maximum benefit to our customers. Acting in harmony with our sustainability values not only enables us to protect our natural resources and invest in our future, but also ensures the satisfaction of our customers by increasing the efficiency of our work.

Sustainable production management

Papatya reduces deforestation using a sustainable process in production processes and leads its supply chain to support sustainable forest management.

High quality recycable raw materials using in production are eco friendly, is contributed to global policy to prevent deforestation.

Textile production management

Papatya uses EU Ecolabel and Greenguard certificated fabrics for soft chairs. Ecolabel promotes a circular economy for a sustainable future.

Greenguard certificate indicates a product has low chemical emissions. It means the chemical in the products don't evaporate and mix at room temperature within the specified limit values are certified.

Eco Friendly Packaging

Papatya uses %80 recyclable carton boxes in packaging to avoid the consumption of natural resources.

Evo-S

Quality Management

ISO 14001 ENVIRONMENTAL MANAGEMENT SYSTEM

ISO 14001:2015 specifies the requirements for an environmental management system that an organization provides to enhance its environmental performance. ISO 14001:2015 is intended for use by an organization seeking to manage its environmental responsibilities in a systematic manner that contributes to the environmental pillar of sustainability.

ISO 45001 OCCUPATIONAL HEALTH and SAFETY MANAGEMENT SYSTEM

The certificate is about improving employee safety, reducing workplace risks and creating better and safer working conditions.

ISO 9001 QUALITY MANAGEMENT

This standard is based on a number of quality management principles including a strong customer focus, the motivation and implication of top management, the process approach and continual improvement. Using ISO 9001 helps ensure that customers get consistent, good-quality products and services.

Quality certificated by Catas

CATAS S.p.A. is the most prestigious Italian research institute and test laboratory in the furniture field. Its laboratories are located in Italy's two main production areas: San Giovanni al Natisone and Lissone. The testing and certification laboratory's team of experts—including chemists, engineers, and mathematicians—provides applied research and testing and certification services to the furniture industry.

The CATAS Technological and Chemical Departments perform a wide range of tests and research on raw materials and end products, verifying that a product meets both the manufacturer's requirements and governing standards for quality, safety, strength, and durability. Tests comply with national (UNI, DIN, BS, NF, ASTM, ANSI, etc.), European (EN), and international (ISO) standards.

Papatya models have successfully passed the structural requirements and seat resistance tests as specified by European standards (EN).

Branded Customization

Evo-K

Yugo Shell

Customized furniture solutions allow brands to reflect their corporate identity and aesthetic understanding in their spaces. This increases brand awareness among customers and creates a strong brand image. Furniture customization is a practice that adds value to the sustainable competitive advantage and customer loyalty of brands. Papatya provides this service, positively contributing to the competitiveness and growth of the multi-branch brands it collaborates with. In particular, brands in the hospitality sector should incorporate their colors and logos into the decor to accurately express themselves.

CARDBOARD PACKAGE (Disassembled)

CARDBOARD PACKAGE (Assembled)

A modern, minimalist stool with a dark, curved seat and a black metal frame. The seat is a solid, dark-colored piece with a smooth, slightly curved top surface. The frame is made of thin, black metal rods that form a sturdy, geometric base. The stool is shown from a three-quarter perspective, highlighting its sleek design and functional form.
