Driving sustainability for inspired life

Sustainable Production for future

With a sense of responsibility for the future, we adopt the value of sustainability as the basic philosophy. We consistently offer an environmentally friendly working environment with our business model that reflects our respect for the environment and aims to protect our natural resources, acting in accordance with social values and our high standards for economic sustainability.

We carefully design our products and services to be energy efficient, environmentally friendly and to provide maximum benefit to our customers. Acting in harmony with our sustainability values not only enables us to protect our natural resources and invest in our future, but also ensures the satisfaction of our customers by increasing the efficiency of our work.

Sustainable production management

Papatya reduces deforestation using a sustainable process in production processes and leads its supply chain to support sustainable forest management.

High quality recycable raw materials using in production are eco friendly, is contributed to global policy to prevent deforestation.

Textile production management

Papatya uses EU Ecolabel and Greenguard certificated fabrics for soft chairs. Ecolabel promotes a circular economy for a sustainable future.

Greenguard certificate indicates a product has low chemical emissions. It means the chemical in the products don't evaporate and mix at room temperature within the specified limit values are certified.

Eco Friendly Packaging

Papatya uses %80 recycable carton boxes in packaging to avoid the consumption of natural resources.

GALATA

İSTANBUL COLLECTION

Galata is a place where history and culture converge, offering a timeless allure in the heart of İstanbul. Its narrow streets, stone buildings, and the iconic Galata Tower create an atmosphere of old-world charm blended with vibrant energy. Once a historic meeting point for diverse cultures, Galata today is alive with art galleries, antique shops, and boutique cafés, making it an ideal destination for outdoor enjoyment. Inspired by this storied district, the Galata chair and armchair capture its essence with sleek lines and a natural color palette, infusing any outdoor space with charm and character.
